Dear David,

I'm writing with reference to FOIA request EPA-HQ-2017-011306.

I wanted to specify that I'm seeking emails from EPA Associate Administrator Liz Bowman, Administrator Scott Pruitt, and any employees of the EPA Office of Public Affairs on September 02, 2017, September 03, 2017, and September 04, 2017, which directly reference Associated Press reporter Michael Biesecker, and his story, entitled "AP Exclusive: Toxic Waste Sites Flooded in Houston Area." I am interested in any correspondence referencing Mr. Biesecker directly, as well as emails leading to the composition of two EPA News Alerts on September 03 and 04, entitled, "Status of Superfund Sites in Areas Affected by Harvey," and "EPA Response to The AP's Misleading Story," respectively. These include: emails or other communiques outlining the deliberative process behind these press releases; any opining on the merit of Mr. Biesecker's article or his personal or professional attributes; any email containing a link to the AP story; and any other material directly relevant to the EPA's response to the AP on September 03 and 04.

Thank you!

Talia Lavin

Hello,

I am responding to your FOIA request referenced above. You are seeking information, (Requesting copies of any emails or communications concerning the AP's reporting on Superfund sites affected by Hurricane Harvey)

Can you possibly provide further clarification on the requested information. This request could potentially yield a lot of information that may exceed \$100 to process this request. Please contact to further discuss.
